

## GER WOLFE – BIO

Well-known songwriter of songs like 'The Curra Road', 'The Lark of Mayfield' and 'She Scattered Crumbs', Ger Wolfe has released seven CDs of original material over the last twenty years. His latest album is entitled 'I Have Been Loved'.

Celebratory, reflective, independent in mind and nature, Ger continues to plough his own way through the Irish musical landscape, heedless of fad or fashion. True to the art of the songwriter, he tells his own story as he should, in his own unique voice. Ger is a fine poet and composer all rolled into one, a multi-instrumentalist and a lover of the human voice as the best instrument we have to relate to the mystery of life.
